Elite Casino Products, Inc. Joins AGEM

ITASCA, IL, 2/6/08: Elite Casino Products, Inc. has recently joined the Association for Gaming Equipment Manufacturers (AGEM).

Elite Casino Products, Inc. (ECP) is a manufacturer of high quality electro-mechanical assemblies specializing in gaming applications. The Company's standard product line includes slot machine cabinets, slot bases, top boxes, and marquees. From concept development to production, ECP assists clients with innovative engineering design and custom assemblies for various gaming products.

"We are pleased to have become a member of AGEM," states Scott Irving, Managing Director of ECP. "The organization offers an open venue for communication and cooperation among industry members."

AGEM is an international trade association representing manufacturers of electronic gaming devices, systems, and components for the gaming industry. The Association identifies and acts upon issues relating to education, trade show representation, regulation, manufacturing and licensing standards, and promotes the expansion of responsible gaming for the benefit of its members and the industry.

Current AGEM members include: AC Coin & Slot, Aristocrat Technologies, Atronic, Bally Technologies, Cadillac Jack, Cyberview Technology, Elite Casino Products, Elixir Gaming Technologies, Inc., FutureLogic, GTECH, Gaming Partners International, Gary Platt Manufacturing, IDX, IGT, IPS Inc., James Industries, Inc., JCM American, Konami Gaming, KSK, Las Vegas Gaming Inc., MEI, Multimedia Games, Progressive Gaming International, Rocket Gaming Systems, Shuffle Master Gaming, Summit Gaming, TransAct Technologies, Wells-Gardner Electronics, WMS Gaming, and 3M Touch Systems.

AGEM meets monthly in Las Vegas. For more information on AGEM and membership, visit www.AGEM.org. For more information on Elite Casino Products, visit www.ecp-usa.com.

About the company:

Elite Casino Products is a manufacturer of high quality electro-mechanical assemblies specializing in gaming applications. The company's standard product line includes slot machine cabinets, bases, marquees, kiosks, and video monitor housings. Customized production options are limitless with Elite Casino Products' experienced mechanical and electrical engineers and talented production staff. All of ECP's products are designed with superior quality and durability in mind. The Elite Team is flexible and works with clients from concept inception or can go directly to production from established designs. Elite Casino Products is located 25 miles West of Chicago in Itasca, Illinois.
